

Abstract

This research collects the history of important places around Bung Kaen Nakon. The sites studied include five temples, four sacred shrines, architectural sites around Bung Kaen Nakon and a governor's statue. The history of Khon Kaen and its important governor is also included. The research also covers folklore related to those places. The folklore mentioned includes beliefs about dreams, ghosts, sacred spirits, spiritual power, ceremonies, a folk song and legends of six places in Khon Kaen. Moreover, the wisdom which is transferred through these places is also recorded.
